Novaflex® Connoisseurs Food & Beverage Hose

Novaflex 6503

Connoisseurs Food & Beverage Suction & Discharge Hose

This extremely flexible and lightweight connoisseur food hose is designed to meet the food processing industries most demanding applications. Extensively used by breweries worldwide, this hose is constructed with an ultra smooth microbe resistant EPDM tube and built on special stainless steel mandrels for cleanliness. Available in a variety of hose constructions that will not impart taste or odor.
Novaflex 6503 is ultra flexible for ease of handling and meets REACH and ADI, FDA, USDA, 3-A Sanitary Standards Authorized (#1376), and also the Canadian Food Inspection Agency (CFIA) requirements. Resistant to CIP solutions.

Specifications:
Tube: EPDM
Reinforcement: Multiple plies of synthetic textile with helix wire (microbe resistant). Cover: Red EPDM. Length: 100 ft. WP 10 Bar.
Temperature Range: -40° C to 116°C
(Cleaning In Place to 120°C). Not for continuous steam service.
